*Our towel,
Your satisfaction!*

ABOUT US

The **Hong Phu Gia Textile Garment Factory** was built in 2014 and equipped with the most sophisticated, high end machinery. The machinery is designed to produce any customization of high quality towels.

We export globally and have customers in Japan, Malaysia, Singapore and in many other countries. Our clients are International Five Star Hotels, Renown Restaurants, Department Stores, Health Farms, Spa and Hospitals.

Hong Phu Gia strives to keep our demanding customers satisfied with our standard and customized quality products.

MACHINERY

Loom Vamatex made in Italy and **Air Jet Looms** made by Toyota in Japan.

The factory has an output capacity of 180 tons per month.

The latest investments are the excellent *Swiss made* **Staubli machines** with 24 Jacquard heads.

Hong Phu Gia produces in-house all Standards and Customized, high quality Towels.

The factory is equipped with state of the art machinery among which the excellent :

This very advanced machinery gives the factory a large step ahead of all competitors.
